

Waitrose Own Label Products

Suitable for those Avoiding Nuts and Peanuts

Advice on nut and peanut allergy

Most allergy advice states that individuals who have been diagnosed with a peanut and/or nut allergy, ought to avoid all tree nuts and peanuts. This is the advice that Waitrose also recommend to customers.

Loose foods sold at the self serve and service counters are not suitable for those suffering from nut allergies due to the risk of cross contamination.

Due to the production methods in some of our factories there is a small possibility that some products need to display the following disclaimer on pack: 'may contain nuts and peanuts'. These products are excluded from this list as a precautionary measure.

Important Information:

The way Waitrose label foods is changing to meet European legislation. Allergens will now be highlighted in bold in the ingredients list, instead of the allergy advice panel. These changes will be fully effective by December 2014.

In the meantime both new and old labels will exist, so please check the label carefully to ensure the product is suitable for your diet.

This list contains Waitrose own-label products (excluding those served loose and over the counter) that are free from the following:

- Peanut
- Peanut/Groundnut oil
- Almond
- Brazil nut
- Cashew nut
- Hazelnut/Cobnut
- Macadamia nut
- Pecan nut
- Pistachio nut
- Walnut
- Nut extracts
- Nut flavours
- Other nut oils
- Products which carry the 'may contain nuts and peanuts' statement

Lists are updated on a regular basis as recipes may change occasionally. Customers are advised to always check the ingredients lists on pre-packed products and ask for information on products served over the counters.

Waitrose Limited (The Company) has produced this list for the general information of the public. It contains information gathered from various sources and although the Company believes it to be accurate at the time of publication, the Company accepts no responsibility for, and makes no representation nor gives any warranty or undertaking express or implied as to the accuracy or completeness of the list.

Lists are updated on a regular basis as recipes may change occasionally. Customers are advised to always check the ingredients lists on pre-packed products and ask for information on products served over the counters.

For further advice regarding food allergy and intolerance, please visit [waitrose.com/nutrition](https://www.waitrose.com/nutrition)

To make it easier for you to use this list, we have excluded some categories where all the products are suitable. These are listed overleaf.

The following categories have been excluded from this list as all own-label products within them are suitable for those avoiding nuts and peanuts:

- Butter & fats
- Canned fish & meat
- Canned vegetables (including beans & pulses)
- Carbonated drinks
- Dilutes (e.g. squash & cordial)
- Dried herbs & spices
- Flour
- Fresh eggs
- Fresh fruit juices
- Fresh fruit & vegetables, loose
- Fresh milk
- Longlife milk & cream
- Longlife fruit juices
- Mineral waters
- Mixer drinks
- Ground & instant coffee
- Tea

In addition, the following categories are not included in this report:

- Bake off bread
- Salad bars
- Chocolates sold loose
- Celebration cakes
- Alcoholic drinks

Please note, this is a guide only and it is advisable to always check the label.

Waitrose Own Label Products Suitable for those Avoiding Nuts and Peanuts
